Peace Development Fund Community Grants - De Colores Rapid Response Fund

The Peace Development Fund makes grants to community based organizations working for social justice. We believe that the change in values needed to establish a more just and peaceful world can come about only if it is strongly rooted in local communities that value the importance of building movements to create systemic social change. These are communities that view everyone, especially young people, as a vital force in the transformation of society. We recognize young people's ability to reshape our society, not only politically, but also spiritually and culturally
